PROFESSIONAL EXPERIENCE

AI Response Evaluator | DataAnnotation.tech

2023 – Present

- Evaluated AI-generated responses for accuracy, relevance, quality, and tone across a broad range of task types
- Provided structured, actionable feedback to support the fine-tuning of large language models (LLMs)
- Assessed model outputs for factual correctness and alignment with human preferences using RLHF methodology

Data Analyst | Minebrat Pvt. Ltd., Bengaluru

2021 – 2023

- Spearheaded data collection, cleaning, and analysis across multiple client project proposals using Python, SQL, and Excel
- Developed data-driven presentations and dashboards to communicate findings clearly to both technical and non-technical stakeholders
- Streamlined data pipelines, reducing manual effort and improving report turnaround time

Co-Owner | 27 Peace Restaurant, Chennai

2017 – 2020

- Managed day-to-day operations including inventory, vendor relations, and financial oversight for a multi-staff establishment
- Leveraged data-informed decisions on pricing, menu design, and customer engagement to drive revenue

English Editor | Deluxe Digicaptions Pvt. Ltd., Bengaluru

2015 – 2017

- Authored and edited accurate, well-paced subtitles for hearing-impaired audiences across diverse media content
- Maintained high quality standards through thorough proofreading and adherence to broadcast captioning guidelines

Sales & Marketing Executive | Cnetric Enterprise Systems Pvt. Ltd., Bengaluru

2014 – 2015

- Drove B2B lead generation across the ASEAN market, identifying and qualifying prospects for enterprise software solutions

- Provided post-sales product support and contributed to growing customer relationships

Content Editor – Research Operations | Connectivity Data Systems India Pvt. Ltd., Chennai 2012 –2014

- Joined as a Senior Researcher responsible for sourcing and collating data for the company's core product
- Promoted to Content Editor; oversaw quality control and ensured data accuracy across large volumes of content
- Took on additional responsibility of onboarding and mentoring new team members, developing training materials and workflows

Accounting Intern | Samsons Rubber Industries, Chennai

2009

- Assisted with inventory management and international sales coordination during summer internship
- Contributed to research and logistics support for new product launches
